

## **Support Student Community Service at Gunn**

### **Join Gunn's NEW Community Service Boosters Club!**

A sampling of what's planned for this year. . .

. . . from whole family Gunn service days to a new website full of service info and opportunities (on campus and off) to student service chats to lending Gunn's student service clubs a hand . . .

. . . **Gunn @ Your Service** is the hub for all things service-related at Gunn.

It's easy to join (subscribe to our email group through the link below), and easy to financially support our work. Donations will just cover expenses for community service day, recognition program costs, and printing needed to spread the word.

Here's to **Gunn @ Your Service** helping Gunn have a great year of service!  
(Questions/comments/ideas? Feel free to give me a jingle anytime.)

**Mission:** To support the expansion of community service and service learning for students at Gunn High School. We will help focus resources in the Gunn Community to encourage wider participation by students, families, and faculty. We will help educate parents, support student leadership and participation, foster student recognition, support teachers in service learning, and initiate models of parent/student/teacher service in the community. We will offer support to all Gunn student service clubs and support Gunn students' participation in community-wide service programs and beyond.
